

CALL FOR INDUSTRY FORUM PROPOSALS
IEEE GLOBECOM 2019, 9-13 December 2019, Waikoloa, HI, USA

IEEE GLOBECOM 2019 will be hosting a series of Industry Forums and invites the submission of Industry Forum proposals. Industry Forums should emphasize current topics of particular interest to the community on the latest technical and business issues in communications and networking. The Industry Forums will present talks that are aimed at researchers from academia and industries, practicing engineers, and technical managers who need to know both the technical and practical aspects of new and emerging topics. All sessions of the IEEE GLOBECOM 2019 Industry Forums will be held on Monday, December 9, and Friday, December 13.

Please address questions to Industry Forum Chair: Martin Maier (mailto:maier@emt.inrs.ca)

Each proposal (maximum 3 pages) must include:

1. Title of the talk
2. Length of the talk
3. Name, affiliation, contact information, and short biography of the speaker
4. A brief description (1 page max) of the technical issues that the talk will address, emphasizing its timeliness
5. If appropriate, a description of past versions of the talk, including number of attendees, etc.

Presentation material will not be published in IEEE Xplore.
